

Key Points of the Joint Controllership Agreement
between Renault S.A.S. and Elto Holding

1. Definitions

The capitalised terms below, when not defined in this document, have the meanings given in our Personal Data Protection Policy.

2. What does it mean to be a “joint data controller” and what is the purpose of this document?

When:

- Renault S.A.S., located in France at 122-122 bis avenue du Général Leclerc, 92100 Boulogne-Billancourt CEDEX,

declares that it acts as a joint data controller together with

- Elto Holding, located in France at 122-122 bis avenue du Général Leclerc, 92100 Boulogne-Billancourt CEDEX,

this means that both entities jointly determine how and why your personal data is used.

This document informs you about the allocation of responsibilities between the joint controllers.

3. For which processing activities are we joint data controllers?

The processing activities for which we act as joint controllers are described in the data protection policies referenced in Section 1 (see section 3.1 – The purposes for which we process your personal data).

4. How have we allocated the roles and obligations relating to joint processing of your data?

Obligations of the Joint Controllers	Renault s.a.s	Elto Holding
Ensuring compliance with regulations (lawful basis,	✓	✓

purpose limitation, data accuracy, compliance of transfers outside the EU/EEA):		
Informing data subjects and providing this document	✓	✓
Primary contact point for exercising rights		✓
Collaboration and coordination on rights-exercise requests	✓	✓
Implementing operational and technical security measures	✓	✓
Notifying supervisory authorities of personal data breaches and informing affected users where required	✓	

(*) Elto Holding is your single point of contact for rights requests relating to joint processing, as described in our Personal Data Protection Policy.
